quarter  year \_\_\_\_\_

describe other term \_\_\_\_\_

### FUTURE GIFTS

By \_\_\_\_\_, I plan to give

a total of \$ \_\_\_\_\_

property valuing \$ \_\_\_\_\_

property description: \_\_\_\_\_

### ESTATE PLANNING

I plan to revise my estate plan naming First Evangelical Free Church as a beneficiary.

**Immediate Gifts** are an important part of our funding needs. To give an immediate gift to the building fund, it is requested that you plan to contribute the gift of cash or property to the Relocation Building fund by the end of this year, December 31, 2018.

**Regular Giving** is to commit to a 3 year or other period to make regular cash contributions through monthly, quarterly or annual giving pledges. A continued cash flow that is in addition to regular giving is important for accumulating the funds needed to start, finish and operate the new church facility. If you choose a different giving period, please detail the term of your giving in the space to "describe other term."

**Future Gifts** may be in cash or other property. If you know you will be able to give gifts in the future or you need time to get your contribution together, this section gives you a chance to provide a written indication of your future gift.

**Estate Planning** is an opportunity to support the building project in the future. When the Lord calls us home, we want the things we own to be given to family and organizations in such a way that reflects our faith and convictions. Consider leaving a legacy that favors the church Relocation Building program.

- 4) **Obey**—fulfill your pledge, and see how God uses it for His glory.
